If any teams are level on premiership points then the team having the higher percentage of game points for, to game points against, shall take the higher position. After 10 minutes have elapsed, Rule 12 (i) takes affect.
- (iv) For each walkover given a team shall be liable to pay to the Committee an amount deemed to be appropriate reimbursement for expenses incurred by the giving of the walkover. (Such amount, as determined by the Committee prior to the beginning of each season, to be called a "walkover fee".) Any team which gives two or more walkovers during a season may be disqualified from the competition. N.B. A walkover given for a finals game will be charged at double the normal rate.
- (vi) With regard to eligibility for finals, a team receiving a walkover shall be given the same game points as for a BYE [Rule 10 (iv)], players qualify as per Rule 11 (ii). A team giving a walkover shall receive zero game points, players shall not be credited with a game.

- (iii) Notification made by the Administrator to the Club Nominee via the web site prior to the following round shall be deemed to be official notification.
- (iv) Games played by players whilst unregistered shall NOT be credited to the players' total games for finals eligibility.

14. TRANSFERS AND CLEARANCES

- (i) Players wishing to transfer to another club shall obtain, on the prescribed form, a clearance from their present club and lodge this clearance with the Administrator of the Committee. The penalty for playing a player who has not been cleared is the same as the penalty applicable to ineligible players (see Rule 15),

Any player who does not play in this competition for two consecutive seasons shall be permitted to change clubs without a clearance.

A club can only accept a clearance from one player per age group per season per male and female. For this Rule, players shall be considered at their normal age group only. The onus is on the receiving club to ensure compliance with this Rule.

Notwithstanding the restriction imposed by this Rule, additional clearances may be accepted on their merits at the discretion of the Committee. In all cases considered under this discretionary power, both the losing and receiving clubs shall unreservedly endorse the application.

In exercising discretion, the Committee may be guided by the following general principles and considerations:

- (a) The overriding desire shall be to ensure that persons wishing to play basketball are not prevented from doing so.
- (b) Only in exceptional circumstances shall more than one A grade male player or one A grade female player be cleared per season and the reasons must be stated clearly on the transfer.
- (c) Where a sibling of the player seeking a clearance is already playing with the prospective club.
- (d) Transfer of B1 and lower grade male players, and B and lower grade female players shall not be restricted, provided that such clearances do not render the losing club unable to field a team in the particular age group for that season.
- (d) Where a player is unable to hold a place in a team of the present club, but (b) may prevent this applying.
- (e) Geographic relocation of a significant nature e.g. Ringwood to Mt. Waverley may be considered reasonable grounds for seeking a transfer.

SPECIAL NOTE:- En-masse clearances to or from a club will receive extremely close scrutiny and will be unlikely to be approved in any case.

14. TRANSFERS AND CLEARANCES (Cont)

(ii) BETWEEN SEASON CLEARANCE

Players wishing to transfer to a new club between seasons shall appear on their new club's team entry list and have their clearance form (dated as at competition start date) lodged with that entry list. (iv) MID-SEASON CLEARANCE

- (a) Clearances received between Rounds 1 to 5 (inclusive) may be approved so that players can commence playing for their new club 7 days after receipt of the clearance application. The Administrator is to notify Club Contact of starting round of each player.
- (b) Clearances received after Round 5 of a season shall be held over to the following season.

(v) OTHER CLEARANCES

- (a) Players who wish to transfer to another club, because their club has disbanded or has no teams entered in the competition, do not need a clearance.
- (b) Any player who wishes to transfer to another club because their club does not have a team entered in the Competition in their age group, is required to complete and lodge a clearance form with the Administrator. The receiving club shall be notified of the commencement date for the player concerned. The player will be an "ON LOAN" player and as such may transfer back to his/her original club, without penalty, at the end of the season. It is the responsibility of the losing club to mark the transfer form with the words "ON LOAN".

NOTE: For the purpose of this Rule, the Junior Saturday Mixed, Boys' and Girls' Competitions are considered as separate.

As Junior Saturday Competition, Week Night Junior Competition and Friday Night Competition are deemed to be separate competitions, players may be registered and play for a different club on Saturday to their week night club.

- (vi) **CLEARANCES NOT COVERED BY THE ABOVE RULES** shall be considered on their merit by the Committee. Details shall be submitted in writing to the Administrator of the Committee.

See also Clause (vii).

The table shown on Attachment 2 has been created so that teams may avoid being charged for a walkover and to avoid losing points for a forfeit. Fill-in players are required to provide their details (including date of birth) on the back of the score sheet.

The chart is for FILL-IN PLAYERS ONLY and shows ALL grades permitted to be played by any player playing in a higher age group.

N.B. Explanatory Note:

The purpose of Rule 15 is to prevent a team gaining an unfair advantage over another team, whether by accident or design, through movement of a player or players from one team to another. It is not intended to prevent a player from finding the grade suited to his/her skills or from 'making up' a team which might otherwise have to give a walkover.

GREATER EASTERN BASKETBALL CONFERENCE JUNIOR SATURDAY COMPETITION

AGREEMENT BETWEEN GEBC CLUBS:

NO ZONE DEFENCE TO BE PLAYED IN THE FIRST HALF OF THE GAME FOR U12 AND YOUNGER AGE GROUPS.

The only exception is when a team has no substitutions for the game.

Definition of zone defence: Any defence played in the half court which does not incorporate normal man to man principles shall be considered a zone.

ALL TEAMS ARE OBLIGED TO HONOUR THIS AGREEMENT.

MIXED U8 GRADING – FIXTURING SYSTEM

The form of many teams in MU8 changes on a weekly basis. The Committee's aim is to, as near as possible, retain even grades throughout the season. As MU8 do not play finals, the Grade Secretary has the flexibility to re-grade where it is deemed necessary during the season on a one for one swap basis.

The following has been adopted as a guideline for the grading and fixturing of MU8 age/grades.

For the initial grading of teams, the Grade Secretary is guided by clubs' requests on the team entries and also by their own knowledge of the listed players (where they have played previously).

The guidelines for grading teams, as used for older age groups (6 teams per grade) will be adhered to where possible, but depending on the number of teams that contain "all new" players, some grades may be larger.

Game details for rounds 1-5 are issued via a venue plan available on the web site.

After round 4, the Grade Secretary notifies the Administrator of the changes to take effect from round 6. ***

Game details for round 6 are issued via a venue plan available on the web site.

*** There may be a "fine tune" to grades after round 5 (on a one for one swap basis).....
Any changes to be effective from round 6.

Fixtures are issued via the web site from round 7 for the remainder of the normal rounds.

At the discretion of the Grade Secretary, there may be a further re-grading (on a one for one swap basis) prior to the end of the season.

For MU8 grades, extra games will be fixtured on the Elimination Final Day relative to the remaining age groups. Game details are issued via a venue plan on the web site.

On Elimination Final Day, all MU8 players shall be presented with a participation award following their last game for the season.

MELBOURNE EAST BASKETBALL ASSOCIATION INC. FRIDAY NIGHT BOYS' COMPETITION

THE M.E.B.A. FRIDAY NIGHT BOYS' COMPETITION SHALL UTILIZE THE RULES CURRENTLY EMPLOYED BY THE "GREATER EASTERN BASKETBALL CONFERENCE" JUNIOR SATURDAY COMPETITION WITH THE EXCEPTION OF THOSE SPECIFIED BELOW.

The M.E.B.A. FRIDAY NIGHT BOYS' COMPETITION excludes players who play "A" grade in the Victorian Junior Basketball Council's (VJBC) Competition. (For the purpose of this Rule, "A" grade includes "Vic. Championship" and "Metro 1" grades.)

The Committee recognises that players in the MEBA Friday Night Competition may wish to trial with the above teams.

This trial currently would occur in the first 4-6 weeks of the VJBC grading season (held during the period August to December).

It is not the intention of the Committee to prevent players from participating in such a trial and subsequently returning to or completing commitments to the MEBA Friday Night Competition.

Therefore, during the first six weeks of the VJBC grading season, players who have been part of the MEBA Friday Night Competition may:

- (a) if unsuccessful, return to their MEBA team,
- (b) if successful, complete the current MEBA season.

Players who lose their position with a Representative team after the MEBA Friday Night Competition has commenced and wish to play in the MEBA Competition, must apply through their respective clubs to the Committee.

The purpose of this competition is to provide additional basketball competition of high standard for MEBA players, and as such, VJBC players not playing in "A" grade may compete. However, VJBC players may not be included in teams for the purpose of winning specific games – they must be deemed to be regular players. If in the opinion of the Committee, a team/club infringes the spirit of the Competition, the player/s concerned will be deemed ineligible for that game or games, attracting the appropriate penalty for an ineligible player.

It is the responsibility of the club to ensure that players do not already play "A", "Vic. Championship", or "Metro 1" grades within the Victorian Championship Competition. This should be verified with each player prior to entries being submitted and prior to new players being added to a team.
